Jewellery Making Michelle Douglas
Tuesday 1pm-3pm Corner Studio £75
Tuesday 5.30pm-7.30pm Corner Studio £75

This mixed ability class gives new students the basic techniques in stringing, beadweaving, wirework and kumihimo. Most pieces will be completed in the class. Emphasis is on creating a professional finish and developing the skills needed to read a diagram (or pattern). This solid foundation is built on with the advanced projects. Each week more challenging pieces are on show and available for the more experienced students to master. The materials for the first three weeks are included.

Life Drawing & Painting Ginny Whittle
 A minimum age limit of 18 years old applies

Friday 7pm-9pm Main Studio £100
 Drawing and painting the figure from life is centuries old. The fulfilment of grasping the measurement system for accurate drawing is a lifelong skill artists learn that enables them to draw anything outside of the life room. This course is limited to 8 students and full fees must be paid on acceptance of a booking by the tutor.
