

## Spring Term courses start on Monday 17th January 2022.

Places are limited so book early by emailing the tutors for more information and to secure your place.

**Craft Club** **Michelle Douglas**

**3rd Saturday each month 10am-4pm** **Main Studio**

**£7.50 per day (or £5.00 10am-12.45pm or £5.00 1.15pm-4pm)**

Need a bit of me time? Have a project you can't get to grips with? Looking for inspiration? Want to meet other people with similar interests?

This is not a formal class. We provide the space and support to create. Bring your own project or choose one of ours. Be inspired by other crafters, have a cuppa, learn new techniques. Have a bit of me time, bring your lunch, make new friends. This is not a taught session.

**Meet and Make** **Rosi Thornton**

**2<sup>nd</sup> Saturday each month 1pm to 4pm** **Main Studio**

**Free**

These are fun family workshops to come along to and enjoy crafting with recycled materials. The sessions are a great way to spend a family Saturday afternoon together. A small amount of materials to use will be available, but also bring along things you want to use and we'll see what's possible. Depending on numbers attending it may be necessary to limit capacity if the room starts getting too full.

These sessions are possible due to funding provided by Councillor Mike Renton's Creative Communities Project.

There is more information  
on our website
